About The Human Trafficking Foundation

It is our desire to completely eradicate this modern-day form of slavery, where victims are exploited for commercial sex, forced labor, or involuntary servitude to line the pockets of traffickers and this BILLION-dollar industry!

The Human Trafficking Foundation raises funds to provide community awareness and support for organizations which house, clothe, help victims escape, and provide fundamental daily living skills.

Donations go to vetted and qualified direct service organizations working in the areas of rescue, recovery, and advocacy.
